## Your Itinerary Details

Booking Status: **Confirmed**

Please check your flight and note the departure time. In some instances, your flight may be just after midnight; which means that you actually have to be at the airport the day before your flight date.

They close 60mins before scheduled departure with no exceptions. We recommend that you be at the airport at least 90 minutes before departure time. Extra time would need to be taken into consideration in case of congestion at the airport.
