

Cancel work permit

El KAY ZIN - G2598269Q

You have cancelled El KAY ZIN's work permit

We are sorry that you need to deal with all this in such unfortunate circumstances.

We have also emailed you this cancellation confirmation.

As soon as we have checked that everything is in order, we will tell the employer's insurance company to discharge the Security Bond.

Remember

Levy will stop immediately but the employer will get one more levy bill for the days the helper worked for the employer this month. Please don't stop the GIRO arrangement just yet or make sure that the levy is paid through other means.
