This letter allows you to stay and work in Singapore

Dear OO MAY THEIN

Your employer has renewed your work permit with MOM.

Your new work permit has a QR code which will display your work permit details when scanned using the **SGWorkPass** App (refer to the guide attached for more details).

You will need to go to the MOM Services Centre, Hall C, in Bendemeer for card registration before we can give you a new work permit. We'll ask your employer to book an appointment for you. Take this letter, your passport, the appointment letter and your current work permit with you when you go.

Before you get your new permit, this letter allows you to stay and work in Singapore. It is valid until 05 Feb 2019. You will need to show this letter at Immigration if you leave the country before your new permit arrives.

Yours sincerely

Pansy Chow
