This letter allows you to stay and work in Singapore

Dear NAW EH NI SAY

Your employer has renewed your work permit with MOM.

MOM will send you your new work permit in the next four to five days after we have checked everything in your application. We will send your employer an SMS one working day before we deliver your card. Your new work permit has a QR code which will display your work permit details when scanned using the **SGWorkPass App** (refer to the guide attached for more details).

Before you get your new permit, this letter allows you to stay and work in Singapore. It is valid until 06 Oct 2018. You will need to show this letter at Immigration if you leave the country before your new permit arrives.

You must return your old permit to us by 14 Sep 2018. Please post it to the *Work Pass Division, Ministry of Manpower, 18 Havelock Road, Singapore 059764*.

Yours sincerely

Pansy Chow
